

Residential Maintenance Technician

At Barron Heating & Air Conditioning, we are committed to *Improving Lives™*. As a **Residential Maintenance Technician**, you will help us live out our mission and meet our growth-oriented goals as the premier heating, cooling, indoor air quality, and energy systems service provider in Northwest Washington.

Barron is an established, customer-first, and community-centered company. We exist to improve our neighbor's comfort and health through sustainable and cost-effective solutions. Our Team boasts an open-door atmosphere that fosters a positive and collaborative work environment. Our core beliefs cultivate a "people-first" attitude; we value our customers, both internal and external, and help them achieve their goals.

In addition to living in the beautiful Pacific Northwest, Barron team members enjoy flexible schedules, cost-of-living increases, and a generous benefits package (medical/dental/vision, PTO & holiday pay, 401k matching, and employee training). Our Family is excited about professional growth, achieving work-life balance, and *Improving Lives™*. Our team members are the very best at what they do; join our Team as we drive to our 50-year anniversary and beyond!

At Barron Heating, our Residential Maintenance Technician will:

- Consistently maintain a 'customer-first' perspective;
- Establish a good working relationship with all team members;
- Support co-workers while providing world-class customer service;
- Quickly build a relationship with customers based on trust and rapport;
- Have a strong desire to solve challenges and help others;
- Perform scheduled maintenance and precision tune-ups on HVAC/R equipment to ensure efficient and safe operation;
- Diagnose and test HVAC/R systems to verify proper functioning;
- Effectively communicate solutions that will enhance comfort, improve indoor air quality, and provide energy savings;
- Offer recommendations for continued proper care of HVAC/R systems;
- Encourage the renewal of preventative maintenance agreements (Silver Shield);
- Follow Barron scheduling, precision tune-up, and sales 'best practices';
- Support the Maintenance Coordinator team through efficient communication, comprehensive & accurate data entry, and complete document procurement;
- Ensure any and all required licenses and certifications are up-to-date;
- Meet/exceed individual KPIs while helping fellow team members achieve theirs;
- Exhibit a "Team Barron" attitude;
- Share Barron's mission of *Improving Lives™*.

We provide:

- A culture of collaboration, sharing of knowledge, and respect for one another;
- Barron apparel;
- Medical, Dental, Vision;

- 401k with employer match;
- Paid holidays and vacation;
- Employee discounts, including free Silver Shield preventative maintenance;
- Company sponsored events and team building.

Compensation:

- Full-time
- Hourly

Required Skills and Qualifications:

- Valid driver's license and clean driving record;
- High School diploma or GED;
- Must be at least 18 years of age;
- Legally entitled to work in the United States;
- Pre-employment drug screening.

To Apply:

1. Go to <https://www.barronheating.com/application/> and select the "Residential Maintenance Technician" position.
2. Complete the online form.
3. Upload *Cover Letter and Resume (Word or PDF documents only).

*Your Cover Letter should briefly (one page or less) address **a)** what the term "customer-first" means to you, and **b)** why you are the best candidate to join the Barron Team.

During the Hiring Process, our Leadership Team will:

- Review application materials, select qualified candidates, and conduct interviews.
- Extend full-time employment offers to future Barron Team members.
